

## The musical and intercultural association for children and young people in Altona

Dear parents,

Welcome to the Musica Altona e.V. association.

We are delighted that your daughter or son has decided to take part in one of our music courses!

Here is some **important information** about the association and how we work: Musica Altona e. V. was founded in 2002 by committed institutions and musicians together with the BürgerStiftung Hamburg in Altona-Altstadt.

The BürgerStiftung Hamburg continues to support Musica Altona to this day.

Musica Altona always relies on donations to finance the costs of lessons and instruments. Our proven concept of group lessons begins in daycare centres and the "Die Frühstarter!" course and is then continued for children from the first year of school in various instrumental groups.

The lessons are conducted by experienced and highly committed professional teachers. Apart from the teachers, the members of the association and the board work on a voluntary basis.

Within this framework, which usually works well, it can nevertheless happen that something does not work out as we imagine or as you expect from us. All of our volunteers have full-time jobs in addition to their work for the association. We therefore ask for your understanding if a query is not answered immediately or if we are not always available by telephone.

At the same time, we also need your reliable support, e.g. with our annual course presentations "Klänge aus der Werkstatt", the maintenance of instruments, punctual registration and deregistration for courses, membership fee payments, information if your children are unable to attend lessons, etc.

Our wish is for good and reliable cooperation between all those involved – parents, the board and teachers – for the benefit of the children and young people at Musica Altona.

If you have any questions or concerns, we are happy to assist you and your child: by email and, if you wish, also by telephone or in a personal meeting.
